【BACKGROUND OF PARTICIPATION】

BBSec has established a joint venture (BroadBand Security Assessment (Thailand) Co., Ltd., hereafter "BBSecTH") *2 in Thailand in January 2020. Furthermore, in October 2020, BBSecTH has been certified by PCI SSC as an international qualification "QSAC" *3 that can assessment compliance with PCI DSS, the international security standard for credit cards. And BBSec aims to be APAC's No. 1 credit card security provider as the first Japanese company to be selected as a Japanese company in the "2020-2022 Global Executive Assessor Roundtable (GEAR)" *4 of PCI SSC and will continue to expand its business with companies around the world. Therefore, BBSec have decided to participate in this 2020 Asia-

Pacific Regional Community Conference.
